

## " **County Councillor Annual Report**

This report summarises the activities of the following member of the County Council during

**Name of Councillor Sarah Hill**

### **1) Electoral Division activities**

#### **Main Activities and the impact during the past year:**

I have spent the last year serving the people of my Division in Market Harborough. Be it sorting out problems with home care, planning applications, highways or education I have helped everyone.

Often (especially with highways and home care), there isn't the money to do what I would like and things don't happen.

I have also been holding the Conservatives to account at County Hall, as well as the NHS.

**Signed by Councillor Sarah Hill**

**Date December 2018**
