LEICESTERSHIRE COUNTY COUNCIL - ERECTION OF SINGLE-STOREY MOBILE BUILDING, BUCKMINSTER PRIMARY SCHOOL - SCHOOL LANE, BUCKMINSTER (MELTON BOROUGH)

APPLICATION NO. 2009/0728/06 – 2ND OCTOBER 2009

Consultations
Since the main report was published, further responses have been received from:

Highways Authority
On the basis that the proposal would not result in any additional staff or pupils at the school, it does not give rise to any highway safety issues. However, any further increase in staff or pupil numbers would raise concerns regarding the adequacy of parking provision at the site.

Ecological Advice
On receipt of further information relating to the species on the site, there is no objection in principle, subject to the recommendations in the ecological assessment.

Circulation Under Sensitive Issues Procedures
