

Appendix 3

LLR Plan: Parity of Esteem re physical health needs of people with Severe and Enduring Mental Illness (SMI)

Issue	What is issue?	Organisation Responsible	Action	Timescale
Clarify responsibilities	Responsibility for physical health status of patients with SMI is unclear e.g. LPT Vs primary care	LPT/Primary Care/CCGs	Get agreement that patients' prescribing body is responsible for physical health checks. ?Agree at next POE meeting	March, 2017
Quality Outcomes Framework (QOF) And (Quality, Innovation, Productivity and Prevention) QIPP Primary care indicator targets management of patients with SMI	Currently high 'exception rates in QOF data (more so in Leicestershire than Leicester City).	Primary Care, CCGs	Explore approach to QOF in Leicester City. More detailed assessment of QOF reporting Consider using primary care QIPP (as in WL CCG) or other examples of good practice	March, 2017 March, 2017 March, 2017
CQUIN Commissioning for Quality and	Current CQUIN focuses on in-patients. Need to consider patients under	LPT/CCG	Support LPT to take on new CQUIN from April, 2017:	March, 2017

<p>Innovation payment</p> <p>Secondary care indicator targets management of patients with SMI</p>	<p>care of community mental health team.</p> <p>Also consider using CQUIN to enhance co-operation with primary care</p>		<p>3a, Improving physical healthcare to reduce premature mortality in people with SMI: Cardio metabolic assessment and treatment for patients with psychoses</p> <p>3.b Improving physical healthcare to reduce premature mortality in people with SMI: Collaborating with primary care clinicians</p>	
<p>IT solutions</p>	<p>Lack of shared IT systems across LPT, primary care and UHL</p>	<p>Primary Care/CCGs/LPT</p>	<p>LLR IM&T BCT Enablement Group</p>	<p>June, 2017</p>
<p>Lifestyle Interventions</p> <p>e.g. smoking cessation, exercise referral</p>	<p>Variable access to lifestyle interventions in primary care</p> <p>(Clearer access in secondary care/LPT through Make Every Contact Count-MECC)</p>	<p>Public Health/CCGs</p>	<p>Explore options to improve access e.g.</p> <ul style="list-style-type: none"> • Lifestyle Hub • First Contact Plus • Social Prescribing • Recovery College <p>Further utilise opportunities in MECC</p>	<p>June, 2017</p> <p>June, 2017</p>

Miscellaneous	(1) Alcohol consumption not systematically recorded	Primary Care/ LPT	Develop agreed comprehensive checklist	March, 2017
	(2) Role of mental health facilitators-MHFs can be very valuable but service is sporadic across city and county	CCG	Explore role and capacity of MHFs	March, 2017
	(3) Potential to have physical health care support/liaison in LPT (reverse of current situation)	CCG/LPT	Discuss possible embedding of physical health care support worker in LPT	June, 2017
