

## " **County Councillor Annual Report**

This report summarises the activities of the following member of the County Council during

**Name of Councillor Linda Broadley**

### **1) Electoral Division activities**

#### **Main Activities and the impact during the past year:**

This County Council year has been one of disruption due to the Covid 19 virus. It has been extremely hard on all residents and I have been encouraged by so many who have selflessly followed all the rules.

No longer do we have physical meetings, it's now all Zoom, Teams and Skype which were all new to me and hopefully I have mastered them as well as WhatsApp and Twitter.

I have been very involved with phoning our vulnerable residents to ensure that they have all the help they need during lockdown whether that be shopping, prescriptions or just a chat. The Oadby & Wigston Community Hub has been there to assist with referrals etc.

I believe in keeping my residents informed through my regular Focus newsletter, these are delivered to every house in my division and are paid for by me and not public funds.

- Recent issues apart from Covid this year have been:-
- Flooding at Wakes Road island (still not resolved)
- Grass cutting and Weed spraying
- School placements
- Recycling Centre
- Pots hole and pavements.
- Committees
- Employment Committee
- Adults and Communities Spokesperson

Stay Safe

**Signed by Councillor Linda Broadley**

**Date August 2020**
